

HOW TO BOOK YOUR CLIENT'S IRISH B&B

1

Log onto www.reserveabandb.com & click on "Customers" box. Type in destination in the field under "Find a B&B".

2

Input arrival dates, number of nights and guests, and click "Search". Select one of the available properties as your chosen B&B.

3

Add credit card information to guarantee the reservation. Guests are to present their vouchers upon arrival so their credit card will not be charged.

MORE ON VOUCHERS...

- Our vouchers include the Ensuite cost—Room types include Single, Double/Twin, Triple, and Family.
- Each e-voucher is valid per room per night in any property based on availability.
- One B&B Ireland accommodation e-voucher must be presented to each individual property in order not to be charged.
- Vouchers are good for one use only.
- Prebooking all accommodations as soon as travel plans are confirmed is strongly recommended, especially for Dublin.
- Low season is January through May and October through December; High season is June and September; Peak season is July through August.
