SUGGESTED ITINERARY — CAN BE CUSTOMIZED

Spend two weeks extensively exploring some of Europe's most beautiful landscapes. This pleasantly-paced yet interesting itinerary will begin in Munich and take you from Bavaria into Austria, a Mecca of classical music, amazing Alpine views and pinot noir wines. You'll then travel into Switzerland, a country whose dramatically-stunning geography has no equal. With lakes, mountains, delicious food, charming villages and expert sightseeing, spend two weeks in a picture-perfect, Alpine paradise.

## DAY 1 ~ ARRIVAL IN MUNICH

Arrive in Munich, Bavaria's political and cultural capital. After exiting customs, meet your local assistant in the terminal's arrivals hall. Your group will then travel by private coach to the hotel. (Even though your group will most likely arrive before the hotel's check-in time, feel free to store your luggage with the reception staff). There will be free time until this evening to begin exploring Munich, a city famed for its fantastic cultural attractions. During this time, consider checking out the city's beautiful Englischer Garten, taking a guided tour of the Paulaner Brewery, visiting Munich's impressive BMW World, visiting the Deutsches Museum or touring the Alte Pinakothek, one of Europe's best art museums. Depending on your group's flight arrival time and interests, we could easily schedule a guided tour to any of the aforementioned attractions.

Tonight join your fellow group members for a welcome dinner of Bavarian specialties in the hotel's restaurant

You will also visit Munich's Marienplatz, which has served as the city's main square for almost 900 years. If your group arrives at 11:00 am, you'll get to enjoy the iconic Glockenspiel's life-size figurines perform high atop the New Town Hall (Rathaus). **DAY 4 ~ DACHAU/  
MUNICH**

After breakfast in the hotel, this morning your group will travel north to Dachau. Probably the most gruesome result of Hitler's rise to power was the building of the concentration extermination camps. One of the first of these was situated 15km to the northwest of Munich near Dachau. In 1965 a memorial to the victims was created, giving visitors a chance to learn of the atrocities prisoners were forced to suffer. Watch the 22-minute orientation video and then explore the cells, barracks and gas chambers. The exhibition contains accounts of the prisoners' tragic experiences from the setting up of the camp until their liberation by US-forces in 1945. Afterwards your group will return to Munich.

The rest of the day is free, so you and your fellow group members can squeeze in one remaining visit on your last day in Bavaria.

**DAY 5 ~ EAGLE'S  
NEST**

After breakfast and check-out, your group will depart Munich and travel by private coach along the incredibly scenic German Alpine Road, which offers splendid views of the Bavarian Alps. Upon arrival to Berchtesgaden, you will board a special bus to travel to the mountain summit, the location of "Eagle's Nest," which was originally built as a tea

house for Adolf Hitler's 50th birthday. Enjoy a tour followed by lunch taking in the spectacular views of the area. Afterwards your group will take a short drive over the Austrian border that leads to the city of Salzburg, which naturally is "alive with the sound of music." Upon arrival to the hotel, your group will have time to check in and freshen up before tonight's group dinner at a nearby Austrian restaurant featuring regional specialties and Austrian wines.

**DAY 6 ~ SALZBURG  
AND THE SOUND OF  
MUSIC**

After breakfast in the hotel your group will head off on an exciting, guided tour of scenic Salzburg (combination coach & walking). As you explore the historic center of Mozart's hometown, your guide will point out the sights related to the *Sound of Music* film. Admire the exquisite Mirabell Gardens, where the song "Do-Re-Mi" was filmed, the famous Horse Trough, the great Festival hall, St. Peters Churchyard and the monumental Domplatz. You will also visit the birthplace of Mozart on the historic Getreidegasse street. After free time for lunch, travel to the shores of Lake Mondsee to see the famous church where the wedding of Maria and Captain Von Trapp was filmed for the movie. The tour will finish back at the hotel in the afternoon and you have the evening free to enjoy Salzburg.

**DAY 7 ~ INNSBRUCK,  
ST MORITZ**

After breakfast in the hotel your group will travel southwest, enjoying the alpine landscape, to the beautiful Austrian town of Innsbruck, which was home to the 1964 and 1976 Winter Olympics. A short walk leads to a collection of typical mountain houses, a village shop, and numerous goats which make up Heidi's village. You will also tour the authentic Heidi House before re-boarding the coach and proceeding to Vaduz, the capital of the tiny Principality of Liechtenstein, where you'll have free time for lunch and shopping. Afterwards your group will board its coach one last time today and drive west to Lucerne, which lies on the shores of Lake Lucerne and is one of the prettiest towns in Switzerland. After checking in at the hotel, enjoy some free time to freshen up before tonight's traditional Swiss Folklore Show, during which you will enjoy traditional Swiss food accompanied by folk music, yodeling and yes- even alphornblowing!

**DAY 10 ~ MOUNT PILATUS**

After breakfast in the hotel, your group will meet a local guide for a brief walking tour of the city of Lucerne. Here you will see local attractions including the Kapellbrucke (covered Chapel

Bridge), the Old Town Hall, Stag Square and the Lion Monument. Your group will then embark on a once-in-a-lifetime trip to the summit of Mount Pilatus, which offers views of the extraordinarily beautiful surrounding landscapes. This is your opportunity to enjoy the mountains and lakes of the region. You'll view the stunning scenery from several different vantage points: the lake steamer provides a 90-minute boat ride; the world's steepest cog railway takes you up to the top of the mountain; and a large aerial tramway connects to a modern 4-seat gondola for your ride back down to civilization. There are two hotels at the top, so you'll have time to snap some inspiring photos and grab lunch with a view. After today's unforgettable excursion, the evening is yours to enjoy in Lucerne.
