8 DAYS / 7 NIGHTS — GROUP TRAVEL

SUGGESTED ITINERARY — CAN BE CUSTOMIZED

Groups in search of the world's most extraordinary natural landscapes need look no further than Norway. Home to magnificent glaciers, glimmering lakes, dramatic fjords and thundering waterfalls, vacationers to Norway can expect to experience a sliver of paradise on Earth. This itinerary was crafted to show your group Norway's most beautiful spots. Scenic railways, funiculars, ferries and private coaching make it comfortable and relaxing to enjoy the out-of-this-world scenery.

DAY 1 ~ ARRIVAL IN OSLO

Welcome to Norway! An assistant will greet your group inside the arrivals hall of Oslo's Gardermoen Airport and lead it to a private coach, which will take you directly to your hotel in Oslo. Should your group arrive before the hotel's official check-in time (generally 3:00 pm), please feel free to store baggage with the reception staff so that you can begin visiting this wonderful city. As it is your arrival day and you are most likely still adjusting to the time change, we have left this day fairly free. However, if you feel up to it, we suggest you get out there and begin your sightseeing in Oslo! Consider a stroll through the harbor, or pay a visit to one of the many excellent museums located on Oslo's Bygdøy peninsula. We recommend either touring the Viking Ship Museum, which houses the world's best-preserved Viking vessels, or visiting the open-air Norsk Folk museum, whose impressive collection of historical and cultural structures includes the 800-year-old Gol Stave Church.

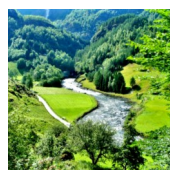

This evening there will be a group welcome dinner in the hotel's restaurant.

During your tour you will also travel up to the Holmenkollen Ski Jump to visit the Ski Museum. At the end of the tour, your group will depart Oslo and travel north to the cozy resort town of Lillehammer, which hosted the Winter Olympics in 1994.

Upon arrival to the hotel in Lillehammer, check-in and enjoy the remainder of the day at leisure.
